

\_ DC170 SUPREME – THE IKON OF DRILLING

Visibly different – completely reliable.

Benefit from the new performance class now.

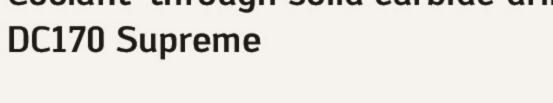

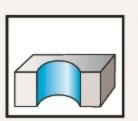

## The benefits for you – thanks to the new design of the lands:

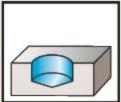

- Increased productivity thanks to 50% longer tool life with 35% higher workpiece values
- Better component quality due to the drill having constant guidance of its circumference
- Maximum carbide mass for maximum process stability
- 360° coolant coverage for maximum cooling effect

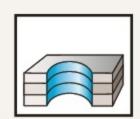

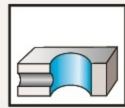

## Coolant-through solid carbide drill
